Friday 9th March
5 – 7pm

EILEEN MYLES

Prolific and widely renowned New York poet, novelist, and essayist Eileen Myles is a trailblazer whose decades of literary and artistic work “set a bar for openness, frankness, and variability few lives could ever match” (New York Review of Books). AFTERGLOW (a dog memoir), Myles’ first foray into memoir, paints a kaleidoscopic portrait of a beloved confidant.

This event is FREE and open to the public.
