Linking your name, or the name of someone you love, with St Hilda’s College

As you can see by turning to the cross section (overleaf), the College’s exciting 125th Anniversary building programme offers you a wide range of opportunities to have your name – or someone especially close to you – linked with St Hilda’s for the future.

You may choose to sponsor anything from an entire building, key public spaces and gardens, to a single room or chair. You can also support current and future students through a named bursary, scholarship or award – see the back page for further details. As well as individual gifts, we welcome collaborative gifts to fund whatever you like with a group of friends or year group.

INDIVIDUAL RECOGNITION
If you would like your gift to be publicly acknowledged, your name will be displayed in the part of the new building you have chosen to sponsor, as well as on the donor boards in the College’s Colonnade entrance.

COLLABORATIVE RECOGNITION
For example, if you decide to sponsor a student room, the cost could be divided between each member of your group. Each donor’s name would be displayed in the room as well as on the Donor boards in the College’s Colonnade entrance.

MEMORIAL GIFTS
We also welcome gifts made in memory of individuals or groups.

HOW DO I GET INVOLVED?
You will find the details on the enclosed donation form. To create a named bursary, scholarship or award, please contact Bronwyn Travers, Development Director and Fellow, on +44 (0)1865 276 828 or bronwyn.travers@st-hildas.ox.ac.uk.

HOW TO GIVE
You can make a single gift, or, if you wish, you can elect to spread your gift over a number of instalments – for example with a Direct Debit.

GIFT AID
If you are eligible, the College can claim UK Gift Aid to make even more of your generosity at no additional expense to you. The Gift Aid added to your donation will help the College reach its fundraising target and you will be recognised for the full value of your support, including Gift Aid.

The 125th Anniversary bursaries and scholarships will support our commitment to excellence and equality.

Bursaries and grants for undergraduates will buffer the costs of studying and help students from financially disadvantaged families to make the most of their time at St Hilda’s. They will provide funds for books, vacation residence, internships and work placements as well as travel for study and research.

A named bursary can be established with a commitment of £1,250 per year for three years.

For our graduate students, scholarships are essential – full scholarships (and partial scholarships to cover fees) help the College to attract the most talented students from all over the world. Your support may also attract sources of matched funding within the University.

A named scholarship can be established with a minimum commitment of £8,000 per year for at least two years.

Named travel and research awards can be established with a commitment of £500 per year to assist our students in experiencing places and cultures which feature in their course, exploring future career options during the vacation, and for graduate students to carry out research and attend academic conferences.
Add your name to all those helping to build the future for St Hilda’s

To find out more about naming opportunities for:
• the new buildings, teaching and seminar spaces
• bursaries and scholarships
• research posts
please contact Bronwyn Travers
