As you can see by turning to the cross
section (overleaf), the College’s exciting
125th Anniversary building programme offers
you a wide range of opportunities to have your
name – or someone especially close to you –
linked with St Hilda’s for the future.

You may choose to sponsor anything from an
entire building, key public spaces and gardens,
to a single room or chair. You can also support
current and future students through a named
bursary, scholarship or award – see the back
page for further details. As well as individual
gifts, we welcome collaborative gifts to fund
whatever you like with a group of friends or
year group.

**INDIVIDUAL RECOGNITION**
If you would like your gift to be publicly
acknowledged, your name will be displayed
in the part of the new building you have
chosen to sponsor, as well as on the donor
boards on display in the colonnade at the
entrance to the College.

**COLLABORATIVE RECOGNITION**
For example, if you decide to sponsor a
student room, the cost could be divided
between each member of your group. Each
donor’s name would be displayed in the
room as well as on the Donor boards in the
College’s Colonnade entrance.

**ACCESS AND OUTREACH**
As part of St Hilda’s commitment to access
and outreach, the College has a full-time
Schools Programme Officer who arranges a
number of events throughout the year,
including Subject and Oxford Experience Days
as well as our Surrey-St Hilda’s College
partnership, which offers a variety of twilight
academic taster sessions to pupils in state
schools. The aim of these events is to offer
students an opportunity to experience
academic life at St Hilda’s College and the
University of Oxford.

With your support, we can extend the scope
and range of our programme.

**HOW DO I GET INVOLVED?**
